FAMOUS PEOPLE'S TELEPHONE ANSWERING MACHINE MESSAGES

Hello! This is Stanfield Turner, the head of the C.I.A. - I can't answer the phone right now because I'm out! Which doesn't make much difference anyway, because I wouldn't answer my phone if I were in! I know what can be done with wire taps and bugging devices! I will, however, have someone get back to you! Don't bother to leave your name and phone number! We know who you are already . . . because all calls coming into this office are traced automatically!
